PROFESSIONAL SUMMARY

Detail-oriented writer, researcher, and editor with a strong background in academic research and independent digital publishing. Creator of the *African Stories* blog, a narrative-driven platform exploring African identity, community, and social realities. Highly skilled in structural editing, qualitative analysis, and translating complex academic or technical concepts into compelling, accessible prose. Adept at independent project management and strict style guide adherence. Eager to leverage editorial precision and a deep passion for African discourse to support the editorial team at African Liberty.

CORE COMPETENCIES

- **Editorial & Writing:** Copyediting, Proofreading, Creative Non-Fiction, Opinion Editorials, Academic Writing, Technical Documentation.
- **Research & Analysis:** Qualitative Research, Literature Reviews, Thematic Analysis, Fact-Checking.
- **Tools & Platforms:** Google Workspace, WordPress / Blogger web publishing, Zotero / EndNote, MS Office Suite, Notion.
- **Professional Skills:** Remote Collaboration, Independent Deadline Management, Cross-Functional Communication, Strict Style Guide Compliance (Harvard/APA).

EDITORIAL, WRITING & RESEARCH EXPERIENCE

Creator, Author & Curator

African Stories Blog | Remote | 2020 – Present

- Manage end-to-end digital publishing for an independent blog focused on creative non-fiction, cultural essays, and African diaspora narratives.
- Write, self-edit, and format articles, ensuring high-quality grammatical precision, engaging storytelling, and thematic consistency.
- Maintain a consistent editorial calendar, manage the web publishing platform, and engage with readers to foster community discourse.

Academic Researcher & Technical Writer

University of Pretoria | Pretoria, South Africa | 2024 – Present

- Authored and rigorously edited a 116+ page Master's dissertation, synthesizing complex data on digital infrastructure and human behavioral adaptation.
- Executed structural proofreading, ensuring impeccable attention to detail regarding sentence casing, narrative flow, and strict adherence to the university's NME804 Harvard referencing guidelines.

- Conducted extensive literature reviews, extracting and summarizing relevant data from hundreds of peer-reviewed articles to support central academic arguments.

PROFESSIONAL & PROJECT MANAGEMENT EXPERIENCE

Technical Support Apprenticeship

AWS - She Builds Program | Remote | Jul 2023 – Jul 2024

- Acted as a communications bridge between technical and non-technical stakeholders, translating complex cloud computing concepts into clear, actionable delivery plans.
- Streamlined internal reporting workflows and created clear, data-driven documentation, reducing cross-team clarification cycles by 30%.
- Worked fully remotely, demonstrating the ability to manage time independently and meet strict operational deadlines.

Facilities & Project Manager

Tectura International | Office-based | Jan 2022 – May 2025

- Drafted, edited, and standardized reporting templates for facility condition assessments, accelerating reporting turnaround times from 14 days to just 5 days.
- Managed project governance documents and maintained clear, precise communication across multidisciplinary teams of contractors, consultants, and stakeholders.

Freelance Python Developer & Technical Consultant

Upwork | Remote | Feb 2021 – Feb 2023

- Delivered 15+ remote projects for international clients, requiring meticulous interpretation of client briefs and the creation of clear technical documentation.
- Maintained a high client satisfaction rate through transparent communication, reliable delivery, and strict adherence to remote deadlines.

EDUCATION

Master of Science (MSc) in Architecture (Research)

University of Pretoria, South Africa | Expected 2026

- *Focus:* Independent, research-heavy degree requiring advanced academic writing, data synthesis, and peer review.

Bachelor of Architecture (Hons)

University of Nairobi, Kenya | 2018 – 2020
